## EMAIL #2 — HOW IT WORKS

**Subject:** Here's how the Unlimited \$5 Cash Payouts system works

A simple three-step process anyone can follow

Yesterday I introduced you to the **Unlimited \$5 Cash Payouts Program**, and today I want to show you how surprisingly simple it is.

Here's how it works in three steps:

### **Step 1 — Join the program**

You make four small \$5 CashApp payments—\$20 total—to the admin and current sponsors. That activates your position.

### **Step 2 — Get your landing page**

We place your CashApp handle in the **#1 Sponsor Position** and build your page for you. You'll also receive tools, emails, and support to promote your link.

### **Step 3 — Share and earn**

Every time someone buys the CashApp Success Blueprint through your page, **\$5 is sent directly to YOUR CashApp.**

No waiting.

No middleman.

Just simple peer-to-peer income.

And it doesn't stop there...

Your new buyer then steps into the #1 spot, and you move to #2 and later #3, creating continued earning potential as the program grows.
